

INTERNATIONAL COMMISSION ON IRRIGATION AND DRAINAGE

***International Workshop on
the Role of Irrigation on Poverty Alleviation and Livelihoods***

Sacramento (California), 4 October 2007, 14.00-17.00

FINAL AGENDA

Background

During its Council meeting held in Kuala Lumpur (Malaysia) in 2006, ICID has decided to launch a new workbody on the role of irrigation on poverty alleviation and livelihoods. An informal group was convened in Kuala Lumpur, to brainstorm on and suggest the nature and mandate of such a workbody. One of its conclusions was to hold a starter 1/2 day workshop during the next ICID Meeting in Sacramento (30 Sept - 5 Oct 2007), gathering peo1.2941(e)-Td hon2941()-25.9773(p)-1.2312()-203057(o)-1.2941(l)-5.9505(a)-1.29773(p)-1.24627
